

## JUNE 2013 NEWSLETTER

### Who's Who

Putting on a Corroborree is no mean feat and behind this one is a team of 12 working diligently to bring the event together. Here's some of the Committee Members that you'll see at the Corroborree.

Dave is the Chairman of the 2013 Corroborree and is also the Vice President of the North Coast 4x4 Club. Dave is overseeing all aspects of the event and co-ordinates the various committee functions, helps gather information regarding the Corroborree and generally keeps everything running as smoothly as possible.

### Trips

Kevin is the Trip Co-ordinator and has the role of being responsible for the day trips.

Kevin's attention-to-detail proves he's the perfect person for this job and he's been busy organising recce runs with the members of the North Coast 4x4 Club to find, document, grade and time the routes.

The four track classifications that will be offered at the Corroborree will be Easy, Medium, Difficult and Very Difficult.

### Sponsorship

Noel has been hard at work obtaining sponsorship for the event and has received some fabulous prizes from supporters to be won over the weekend.

Raffle tickets will be on sale at the event and there'll be 10 or so major prizes to be won. Don't miss out on buying a ticket!

There'll also be a Welcome Kit for each participant. We don't want to give too much away but expect to be pleased.

### Registrations

Cathi is the all-important Secretary who's in charge of recording all registrations and will acknowledge receipt of your form and payment. Just about everyone will meet Cathi at the Corroborree as she'll be the main person on the registration table. If you have any questions about registration

email Cathi on [2013@northcoast4x4club.org.au](mailto:2013@northcoast4x4club.org.au)

We hope you've enjoyed meeting some of the 2013 Corroborree Committee Members. Now that you know what they look like make sure you say hello over the weekend.

### Convoy Procedures

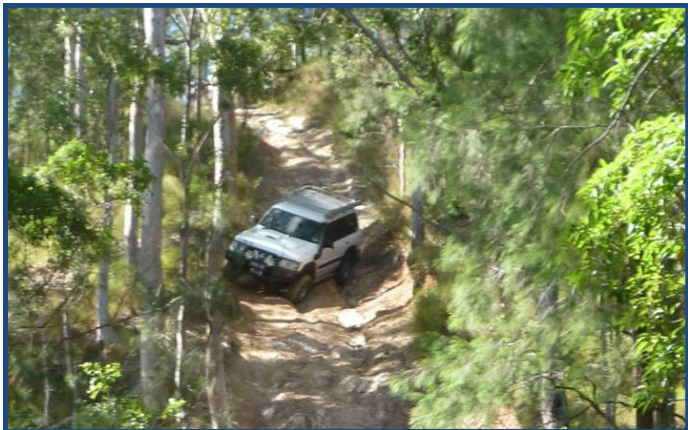

Most 4WDers know the old adage of 'paying the gatekeeper' and this year's Corroborree will be no different. Whilst on a run, if a gate is to be opened the second car in line opens the gate, waits for everyone to pass through, closes the gate, then falls back in line in front of the Tail End Charlie.

When going through the gate all vehicles are to 'pay the Gatekeeper' with a lolly, chocolate, sweet etc. If you don't have a lolly you may have to fork out something else! Best to come prepared....

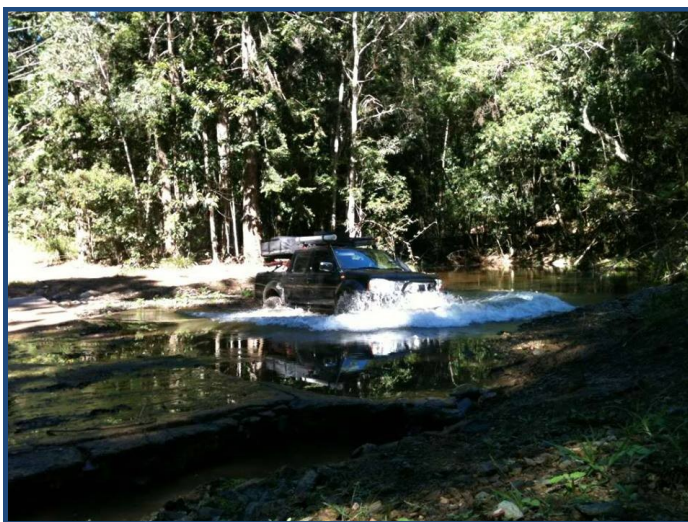

## Facebook

The Corroboree has a Facebook page and photos of recce's that the North Coast 4x4 Club have been doing have been uploaded. Here's some pictures if you haven't seen them at <https://www.facebook.com/4WDQldCorroboree>.
